

AL-KO
QUALITY FOR LIFE

AL-KO Powerline 4700E Lawn Mower is a highly powerful machine with convenient height adjustment and ERGO safety handlebar. The new wide ball bearing tyres protect the grass and ensure optimal driving comfort. You can conveniently and centrally change the cutting height with a single hand movement.

ELECTRIC LAWNMOWER

Model : 4700 E

**ROBUST, ERGONOMIC, LONG LASTING
& POWERFUL**

PERFECT GRASS CATCHER & XXL WHEELS

Extra large fabric grass catcher with aerodynamic air flow for optimal filling. There is an automatic 'fill level' indicator and a very simple emptying mechanism. The wide XXL rear wheels provide for optimum traction that is gentle on the lawn

FLEXIBLE WORK HEIGHT

The top handle of the lawnmower can be adjusted to several positions to fit the individual height of the operator. Also it is handy for space saving in the garage or elsewhere

MULCH IF YOU WANT

Apart from mowing & catching, one can just mount the mulching insert and work the finely chopped clippings into the lawn as a natural fertilizer.

ROBUST QUALITY

Sturdy aluminum handlebar reinforcements guarantee perfect handling and durability
