### PERFECT GRASS CATCHER

Extra large grass catcher with aerodynamic air flow for optimal filling. There is an automatic 'fill level' indicator and a very simple emptying mechanism.

### CENTRAL HEIGHT ADJUSTMENT

You can conveniently change the cutting height with a simple hand movement. Central and easy with spring support. Including extremely stable aluminum handlebar reinforcement.

### PRACTICAL ALUMINUM CARRY HANDLE

The operator can easily transport the lawnmower before and after cutting the grass using the carry handle

### WIDE WHEELS

The wide ball bearing tyres protect the grass and ensure optimal driving comfort. Powerful XXL rear wheels ensure optimal traction even in tall grass
