

The ergonomics of this model make its ideal for domestic use by allowing fatigue free working in all positions, while safety is maximised by the fast acting 0.1 second chain brake. The KE2200/40 features a powerful 2200 watt motor with a 40cm guide bar, running Oregon 3/8" chain with automatic oiling. This model also benefits from a tool free chain tensioner for rapid adjustments in the field.

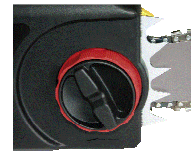

MAXIMUM SAFETY

The fast acting chain brake stops within 0.1 seconds significantly reducing the risk of accident, for example if the chain jams.

AUTOMATIC CHAIN OILING

An automatic chain oiler ensures optimum lubrication of the bar and chain at all times preventing the risk of jamming.

QUICK TENSION DEVICE

The chain can be tensioned quickly and easily without tools via the quick tension chain wheel.

OREGON BLADES : AL-KO QUALITY PROMISE

Original Oregon bars and chains guarantee extreme cutting power and long service life.

SPECIFICATION – KE 2200/40

Power	2200 W
Bar length	40 cms
Saw chain	3/8"/91 VG 52
Chain Speed	10 m/s
Chain oil tank capacity	200 ml
Chain lubrication	Automatic
Chain brake	Yes
Weight	4.5 kgs.
