

A TOTALLY NEW CONCEPT OF PREPARING FIELD
SPEEDILY AND MOST ECONOMICALLY

MULTIPURPOSE HARROW CUM LEVELLER

Saves Fuel, Tractor Life, Time and Manpower !!

MULTIPURPOSE HARROW-CUM-LEVELLER

ROLLER ASSEMBLY

Multipurpose Harrow cum Leveller is extremely useful and economical for the cultivation of wheat, paddy, potato, fruits, vegetables, flowers, tea and coffee etc. In one operation it breaks clods digs out grass and weeds, fully pulverizes the soil, and levels undulated land and harrows the field thereafter.

Its other Features are:

- ❖ HEAVY WEIGHTS for deeper digging.
- ❖ FORGED STEEL SPIKES are replaceable, work at 1" distance to dig out weeds & fully pulverizes the soil.
- ❖ REVERSIBLE LEVELLER fixed in the rear levels undulated land and removes weeds dug out by spikes.
- ❖ REAR DEPTH CONTROL LEVER is provided in the centre.
- ❖ THE HEAVY STEEL ROLLER revolves on double row ball bearing to break clods and level the field.
- ❖ THE LEVELLER & ROLLER can be raised or lowered and their distance from the harrow can be adjusted
